RESERVE BOARD HUGHES TO REJOIN SEES DANGER IN FOREIGN LOANS

Banks and Investors Are Warned About Tying Up Money in Treasury Bills.

"NOT IN INTEREST OF THIS COUNTRY"

Liquid Funds Needed in Various Lines in U. S., Says Statement.

MENACE OF IMPORTS OF GOLD MINIMIZED

Some Investments, Short Time in Name, Imply Long Renewals.

Washington, Nov. 27.-American

bankers were warned by the Federal Reserve Board to-day to avoid locking up their funds by purchasing treasury of any nation," the board advises all investors to proceed with caution, and it formally announced to member banks of the Federal reserve system that with the liquid funds, which

The statement is regarded in official direles as one of the most important declarations by the board since its feet of the state organization, and creation. Officials would not discuss while no names were mentioned at yesthe question for publication, but some of them informally interpreted the warning as the Reserve Board's answer to the recent proposal of J. P. Morgan & Co., British fiscal agents in this country, to have American bankers accept British treasury bills of an insection of various appointments he definite total issue, secured by gold freserves held in Ottawa. Soch loans to of Samuel Scabury is to be filled, as the secured by the resignation of Samuel Scabury is to be filled, as the secured by the resignation of Samuel Scabury is to be filled, as the secured by the resignation of Samuel Scabury is to be filled, as the secured by the resignation of Samuel Scabury is to be filled, as the secured by the resignation of Samuel Scabury is to be filled, as the secured by the resignation of Samuel Scabury is to be filled, as the secured by the resignation of Samuel Scabury is to be filled, as the secured by the secured by Legalistas, and to have received a mere rumors that the boats had ing to the statement of a Mexican here, who claimed to be affliated with the Legalistas, and to have received a mere rumors that the boats had grived, and that was why the warnings sage to that effect from authentic sources to-day.

The same man said he also had received a report that Orizaba, a town because the control of Appeals caused by the resignation of various appointments he has at his disposal. The vacancy in the Legalistas, and to have received a mere with the statement of a Mexican here, who claimed to be affliated with the Legalistas, and to have received a mere rumors that the boats had arrived, and that was why the warnings was control of the Statement of a Mexican here, who claimed to be affliated with the Legalistas, and to have received a mere rumors that the boats had arrived, and that was why the warnings arrived. At the British Consultant with the boats had the late of the statement of a Mexican here, who claimed to be affliated with the Legalistas, and to have received a mere rumors that the boats had the provide arrive

said later that he sought to have said later that he sought to buy of the reserve system authorized to buy asked the Governor to appoint Frederick British treasury bills as if they were bills of exchange to cover commercial transald later that he sought to have banks

Where Dangers in Gold Imports Lie

The statement, will arise only in case the gold is permitted to become the basis of undesirable loan expansions and of inflation. Emphasis is laid upon the necessity for caution in putting money into investments which are short term in name, but which "either by contract or through force of circumstances may in the aggregate have to be renewed until normal

tatement to be published later in the Federal Reserve Bulletin, follows: which have appeared in the press regarding its attitude toward the purchasing by banks in this country of treasury bills of foreign Governments, the board deems it to define its position clearly. In making this statement the board desires to disclaim any intention of discussing the finances or of reflecting upon the financial stability of any nation, but wishes it understood that it seeks to deal

wishes it understood that it seeks to deal only with general principles which affect all alike.

The board does not share the view frequently expressed of late that further importations of large amounts of gold must of necessity prove a source of danger.

The distributions in the large amounts of the large amounts of gold must of necessity prove a source of danger.

The distribution is the large amounts of gold must of necessity prove a source of danger.

The distribution is the large amounts of the large amounts of gold must of necessity prove a source of danger. must of necessity prove a source of dan-

There are means, however, of con-trolling accessions of gold by proper and voluntary cooperation of the banks, or if need be by legislative enactment. An important step in this direction would be Menna to Control Gold Accessions the anticipation of the final transfer of reserves contemplated by the Federal re-serve act to become effective on Novem-ber 18, 1917. This date could be ad-

vanced to February or March, 1917.

Member banks would then be placed on the permanent basis of their reserve "I am not going to have anything to remain basis of their reserves, apart from the impor"Member banks would then be placed on the permanent banks of their reserves, and fictitious reserves, and fictitious reserves, and financial conditions. It will then appear that while a large increase in the country's gold holdings has taken place be expansion of loans and deposits has been swinding hotels for some time and that she used her position as a saleswoman in the jewelry shop of David been swinding hotels for some time and that she used her position as a saleswoman in the jewelry shop of David been swinding hotels for some time and that she used her position as a saleswoman in the jewelry shop of David been swinding hotels for some time and that she used her position as a saleswoman in the jewelry shop of David been swinding hotels for some time and that she used her position will be of the people who have given their blood for the freedom of Mexico."

SLINGSBY CASE TO LORDS

reserve loaning power of the Fed-"In these circumstances the board feels but member banks should pursue a pol-ey of keeping themselves liquid; of not tey of keeping themselves liquid; of not loaning down to the legal limit, but of maintaining an excess of reserves—not with reserve agents, where their balshees are loaned out and constitute no actual reserve, but in their own vaults, or preferably with their Federal reserve banks. The board believes that at this time banks should proceed with much saution in locking up their funds in long term obligations, or in investments which are snort term in form or name but which, either by contract or through force of circumstances, may in the againty of the same and the same an

HIS OLD LAW FIRM

He Will Become a Member of Rounds, Schurman & Dwight | Gen. Gonzales Ordered to Con- Bold Mariners of the Entente | Chicago Health Commissioner

on January 1.

LAKEWOOD, N. J., Nov. 27.—The law firm of Rounds, Schurman & Dwight, 36 Broadway, Manhattan, is soon to have Charles E. Hughes as a partner.

The Republican candidate for the Presidency made this known to-day, amplifying his previous statement that he would return to the practice of law. It was this firm that Mr. Hughes left in 1906 when he received the Republican nomination for the Governorship of New York. On January 1, when he rejoins his old associates after an absence of more than ten years, the name of the firm will be Hughes, Rounds, Schurman & Dwight. Richard E. Dwight was not a member in the old days, and the firm was then called Hughes, Rounds & Schurman.

Associated with the former Justice of

Associated with the former Justice of the Supreme Court in the conduct of the concern's business will be Charles E, Hughes, Jr., who has been practising law for several years. Arthur C. Rounds, George W. Schur-

man, Walter F. Carter, Raymond M. Lowes, Martin J. Keogh, Jr., Augustus L. Inchards and Harvey L. Stowell are Mr. Hughes's other associates,
